Subject: Saturday Hours
Date: Sat, 28 Jan 2012 11:01:01 -0600

Ladies and Gentlemen:

Please be advised that USA Metal Recycling will resume the original business hours that they have been operating since 2009, Monday – Saturday 8:00 AM till 5:00 PM. The operation may work past 5:00 PM and before 8:00 AM on occasion for loading or unloading as needed.

The staff at USA Metal Recycling will continue to be consciences of noise during all operations. The shredder will not operate on Saturday at this point.

The staff at the city of Lowell has been notified through proper channels. USA Metal Recycling believes that their rights (**Civil and political rights** are a class of rights that protect individuals' freedom from unwarranted infringement by governments and private organizations, and ensure one's ability to participate in the civil and political life of the state without discrimination or repression.) have been violated and look forward to due process to conclude these issues.

USA Metal Recycling will continue to adapt change in general operations as information becomes available from the residents to ensure a good relationship. The March 1 construction is still moving forward as planned.

If you have any questions please feel free to e-mail anytime.

Respectfully,

Tom Smith
